

Parent Involvement

Parent Involvement is a major component of the CIP plan at Cherokee County High School. Increased parent participation and input at CCHS are key goals of the CIP. The current parent timeline, school-home compact, and CIP Plan can be found on the CCHS website. The school website also has information relating to the CCHS RTI (Response to Instruction) Plan, sports schedules, school events, parent events, etc.

Warrior CIP

Continuous Improvement Plan
2011-2012

Purpose of the CIP

The purpose of the CIP is to help CCHS live up to its mission state-

ment: "Cherokee County High School seeks to provide a quality education for all students that will equip the learner with knowledge and skills necessary for lifelong learning, future employment, and participation in society." To achieve this mission the CIP from the previous year is evaluated, and a needs assessment is conducted to determine the goals. The team then decides on strategies to be implemented in order to achieve these goal. Lost year CCHS met the AYP goals; however, CCHS strives for continued improvement.

CIP Goals for 2011-2012

1. Increase 11th and 12th Grade student success on the AHSGE
2. Increase the success of AP classes at CCHS
3. Reduce 9th and 10th Grade student failure rate

Strategies to Attain CIP Goals

- Increase and improve classroom instruction
- Increase student interest and participation in AP courses through promotion of said programs to students while still enrolled at Centre Middle School, manipulation of master schedule to more effectively accommodate AP classes, and provifing of adequate supplemental materials
- Implementation of Response to Instruction (RTI) by identifying and assisting at-risk students through early intervention to prevent long-term academic problems.
